## HOW TO TOP-UP YOUR CARD

1. After log in with your card number select **online recharge** option on the menu. A **Recharge** tab will open where you can see transactions and load money on your account.

Click on **Recharge** to open a pop-up window to start the recharge process. Fill in desired amount to be charged and click on **Submit**.

All online banking transactions use the ICBC online tool, Union Pay System and/or e-banking functions of the chosen banks. It is advised that you double check with your bank that you have their e-banking service switched on before starting this process. There is a bank transaction fee of 0.6%.
