

IST DEFINITION OF INTERNATIONAL MINDEDNESS

International Mindedness at IST is grounded in the principles of the IST School Philosophy, the Mission of the International Baccalaureate, and

- our commitment to a rigorous IB education and character development through the IST Learner Profile;
- our dedication to multilingualism, literacy, numeracy, and responsible lifestyles and use of technology; and
- our provision of a wealth of service opportunities, co-curricular programs, and special events that allow individuals from around the world to come together as a diverse and unified community here in Tianjin.
