

2023-24 IST Community-wide Goal: Understanding and Promoting the Diversity of Knowledge (IBLP)

Our community welcomes and values the multiplicity of interests, ideas, and beliefs and values that exist within our international community living here in Tianjin, and beyond, and we are committed to providing a safe, open-minded, and inclusive environment for all. In embracing physical and socio-cultural diversity, we also champion diversity of thought and the critical thinking and open-minded inquiry and learning across a range of topics and disciplines that deepens conceptual understanding and intellectual growth and independence. We listen carefully when considering alternative points of view, and we are willing to grow and change as a result of sincere intellectual inquiry and discourse. We will engage with issues and ideas that have local and global significance, we challenge injustice, and we take personal and professional responsibility for our roles, responsibilities and actions, and their consequences.

Dear Parents,

Although Mr. Conway wrote in my stead last week due to my absence recruiting new teachers for 2024-25, I too would nevertheless like to take this opportunity to welcome you all to the new calendar year (and Semester 2, as of yesterday), one that I feel very optimistic about, especially in the wake of the force majeure closing of the school on the last school day of 2023. I was terribly sorry to miss the opportunity to bid farewell to departing families, but at least they left knowing that it really can snow in Tianjin! Speaking of which, I hope that the late notice of the cancellation of after school activities yesterday, again due to snow, did not cause too much inconvenience for you.

Following two wonderful weeks holidaying together with my wife and daughters in our home in NZ (for the first time in four years!), I travelled to Melbourne and Bangkok to attend international school recruitment fairs. Fortunately, only five teachers will depart IST in June (versus the traditional 20-25%, or some 12-14 teachers), which meant that I was not too busy. I am very pleased to share the news that I have hired five excellent new teachers, all of whom bring a wealth of experience. You will have a chance to meet them in August, but for now please let me share this brief introduction:

- Jeff Errington, Library and English (and wife, Jee Nah, a designer and budding Korean teacher), coming from Busan.
- Ted Guggenheim, ELA (and wife, Monique, an early years teacher), coming from Chiangmai.
- Troy Pearce, G3 (and wife, Anna, a physiotherapist, and sons Avery and Luca), coming from Brisbane.
- Maddy and Kit Haines, Geography and History, respectively, coming from Auckland.

On the last day of the school year I shared a little holiday thank you video with parents, showing my remarkable linguistic capabilities, fluently speaking some nine different languages! I was pleased to see that we have had over 8000 hits on these little videos, so amazed, it seems, was our community and many beyond with the incredible ability of AI to capture my voice and reassign my English message in different languages, and for the most part with very accurate translation and lip-synching! As you know, IST is well respected for our desire to embrace cutting edge technologies, and given that video is so popular and ubiquitous, we have decided that starting from next week we will seek to include weekly video news items on our WeChat feed, along with similar language translations.

Each week I will provide a very brief overview of the items in Blaze, along with an information item from other members of our community sharing details about some other aspect of teaching and learning and school life. Each week we will include English, Korean and Chinese video translations, along with a rotating

selection of two other less prevalent languages from within our IST community. I am hopeful that you will find this new initiative not only informative and highly accessible, but also entertaining ... imagine Mr. Wallace, with his classic Australian accent, speaking to you in perfect Mandarin Chinese!

A reminder to all parents that Semester 1 Progress Report Cards will be sent home next Friday. Please also remember that we will be celebrating student learning in the Arts at our annual MAD (Music, Art, Drama) Night event on Tuesday evening, from 6:00PM until 7:30PM. Please be sure to come along to enjoy the performances and artworks!

Apparently, the temperatures are about to plummet again over the coming days, so dress warmly and enjoy a wonderfully chilly weekend!

Dear Parents,

The school clinic will carry out health screening checks for all students:

Elementary – Tuesday 23rd Jan and Thursday 25th Jan

Secondary (except Gr 12) – Tuesday 30th Jan and Thursday 1st Feb

All students will have their height and weight measured. Students in Kindergarten and above will also receive a sight test (Students who have glasses or contacts permanently or for reading should wear them during the vision test); while students in Grade 1 up to Grade 11 will additionally receive a hearing test.

All students screened will receive a form to take home that day informing their parents of the results of the health screening. Please note that IST's clinic services provide a broad screening net only and that parents are responsible for any follow up treatment that tests might suggest to be warranted.

If for some reason you **do not** wish your child to have the health screening, please send in a note with your child next week.

If you have any questions or concerns, please feel free to contact the school clinic.

Sincerely,

2024/2026 IST Scholarship Announcement

The International School of Tianjin is once again proud to announce its scholarship program for students in their final two years of school. The purpose of the scholarship program at IST is twofold: first, it provides an outstanding educational opportunity each year for a limited number of current IST students of exceptional talent who are experiencing clearly-demonstrated financial need; and second, it provides that same opportunity to a limited number of non-IST students of exceptional talent in order to enrich the overall quality of both our student population and our IB Diploma Programme. This latter group may or may not have financial need.

Description and Value of Scholarships

The IST scholarships are awarded for a period of up to two years to students about to enter 11th grade. The following scholarships are offered:

- Full scholarships: equivalent to the cost of all tuition (components A & B) for grades 11 and 12.
- Tuition scholarships: equivalent to the cost of tuition only (component B) for grades 11 and 12.
- Bursaries: equivalent to half the cost of tuition (half of component B) for grades 11 and 12.

IST scholarship students will benefit from an outstanding education in their final two years of school. Students who successfully complete the two-year programme will be awarded the IST High School Diploma. IST is an International Baccalaureate (IB) World School, and students have the opportunity to earn the full IB Diploma, which is highly regarded by competitive universities worldwide as an entrance qualification.

Selection Process

A maximum of three IST scholarships or bursaries may be awarded every year to current-IST-student candidates. A similar number will be awarded to students outside of the IST community. The selection process will include examinations, a formal interview, and a final selection by the IST Scholarship Committee of the IST School Board of Governors.

In making its recommendations, the IST Scholarship Committee will give consideration to:

- Candidates who demonstrate a high level of academic potential
 - IST candidates **must** have achieved honors/high honors or equivalent in at least 2 of the previous three semesters.
 - IST candidates **must** also include an outline of how they intend to contribute to the school culture and demonstrate the IST philosophy in their application statement.
 - Other candidates must be in the top 25 percent of their school class
- Candidates who have the ability to make a significant contribution to the life of the school
 - through heavy involvement in CAS activities
 - through active promotion of the IB Diploma programme
 - through active leadership within the school community
- Specifically for current IST students, candidates who have a demonstrated need for financial assistance.

Who is Eligible to Apply?

Students of all nationalities are invited to apply for an IST scholarship. Current students at IST with demonstrable financial difficulty are welcome to apply. A strong command of written and spoken English is essential. It is the policy of the school that a family cannot receive more than 1 full scholarship at any given time. Students with other family members currently receiving scholarships may not be offered scholarships for the full two years of the award.

Method of Application

All candidates should contact the school to receive an application package. **The closing date for applications is Thursday, February 1st, 2024.** Applications received after this deadline will not be considered. The scholarship examinations will be held on Saturday, February 24th from 9:00am to 2:30pm. Interviews with qualified candidates will be held on or about March 6th. Scholarship awards will be announced by early April.

ATHLETICS SEASON TWO TOURNAMENT TIME

Season two has flown by and we are quickly headed towards the tournament end of the season. This week we had our last midweek games for the season and now our teams are all preparing for their final tournaments.

MS Volleyball Boys vs Wellington – Tuesday 16 January:

In a tightly contested volleyball match, the MS IST Boys volleyball team faced off against the Wellington boys at Wellington's home grounds. This best-of-three showdown showcased the skill and determination of both teams as they battled for victory. IST got off to a strong start, taking the first set with a solid performance. However, Wellington, fueled by the advantage of playing on their home turf, staged a comeback, winning sets two and three. It was another learning curve for the IST boys and even when this match was lost they showed overall improvements in their skill and movements. We are looking forward to the three upcoming Saturday tournaments.

- 20th February @ TEDA
- 27th February @ IST
- 3 February @ IST

You are all invited to come and watch and support. Go Blaze Go (Mr. Silvis)

MS Girls Volleyball vs Wellington – Tuesday 16 January:

The MS girls volleyball team faced Wellington in their first home game of the season. The girls took to the volleyball court with a mix of excitement, gratitude, and nervousness. They were thrilled to have the opportunity to play in front of their family and friends but also felt the pressure that came with it.

In the first set, IST showcased their skills and determination, feeding off the energy from the supportive crowd. With a display of teamwork, they clinched the set, gaining confidence in their abilities. However, in the second set, IST encountered a hurdle as their communication faltered. As a result, they struggled to execute their plays effectively, leading to a loss in the set.

Determined to turn the tide, IST regrouped and focused on their game plan for the crucial third set. With a series of powerful and accurate serves, they dominated the set, putting their opponents on the defensive and scoring points consistently. IST won the third set and took the match.

The experience of playing at home, in front of their loved ones, resulted in a memorable and successful match. (Mr. Diegel)

Communication is everything-words matter, much more than anything else in many situations. What we say to our children shapes their brains and their hearts, and determines who they grow up to be.

Many of us didn't grow up hearing these words. We now need to tell our children that their needs and feelings count and their emotions are acceptable.

THINGS EVERY KID SHOULD HEAR GROWING UP

- ✔ Mental health is just as important as physical health.
- ✔ Not everyone will agree with you, and that's okay.
- ✔ You will see changes in yourself as you grow. It can be uncomfortable, but it's something to embrace.
- ✔ Other people may criticize you, but you don't have to accept it as a reflection of who you are!
- ✔ You have the right to create boundaries.
- ✔ Self-love is the best love.
- ✔ Life isn't about a destination. It's about embracing the journey.
- ✔ Speak your truth and be who you are always.
- ✔ Obstacles are opportunities to grow.
