Working Learning Acting **TOGETHER**

Dear Parents and Students,

Happy New Year! As we embark on another year at IST, I want to express my excitement about working, learning, and acting together to enhance our shared experiences and support our students' growth.

I'm pleased to share this week's newsletter in light of Mr. Moody's absence as he attends a recruitment fair in Bangkok. This is a significant responsibility to ensure that we always have the highest quality staff to support our students and community.

As we enter January, we have an exciting few weeks ahead at IST, marked by various events and milestones. From January 12-14, our Grade 10 students will be hosting visitors from the Greenwich Country Day School in the USA. This collaborative visit promises to enhance cultural exchange and student learning experiences.

As we approach the end of Semester 1 on January 15, please be reminded that Semester Reports will be sent home electronically or in-printed by special order on January 23. These reports reflect our students' progress and serve as a valuable tool for families to engage with their learning journeys.

Looking ahead, the beginning of Semester 2 on January 16 will introduce our new Community Curriculum theme: **Action, Creation, and Impact**. During this quarter, our inquiry focus will center on:

- **How can we use our knowledge to make an impact?**
- **What actions can we take to address challenges?**

We will also connect our discussions to themes of **Global Citizenship**, exploring concepts of **Ethics & Equity** and the importance of **Communication**. Additionally, we will highlight connections to **Physical Health & Wellbeing**, emphasizing how our actions can positively impact personal health.

Key events during this quarter include:

- Grade 10 **Personal Project Exhibition** on Thursday, 22 January
- Celebrations for **Chinese New Year** from February 9-13, which will involve collaborative festivities with students, staff, and parents.
- The **PYP Exhibition** on March 12, showcasing student-led action projects.

On January 17, our High School basketball teams will participate in the ISAC competition, showcasing their athletic talents and teamwork. Then, on January 20, we invite you to join us for **M.A.D.D. Night**, a special community spotlight event that promises to engage and inspire.

Additionally, I want to reference Mr. Moody's recent message regarding Mr. Taylor. Due to a serious medical incident, he will be returning to the US for specialized treatment, which marks the end of his service at IST. Mr. Taylor has dedicated over 28 years to our school community, and this news is understandably distressing for many. We appreciate your understanding and respect for the privacy of Mr. Taylor and his family during this challenging time.

Thank you for your continued partnership as we strive to enrich the experience at IST. Your involvement and support are vital in shaping a brighter future for all.

Warm Regards,

Michael Conway  
Deputy Director / Secondary Principal

### Thursday Volleyball Matches IST vs Wellington

Our middle school girls' volleyball team put on a good performance in their match against Wellington. While we didn't achieve the results we were hoping for, the excitement on the court was palpable as our girls engaged in several thrilling rallies. They worked hard to create some offensive plays and to chase down every ball. Looking ahead, we are gearing up for the ISCOT tournament this Saturday, where we'll focus on controlling our passes and making sure our serves clear the net every time. Stay tuned for more action! Our middle school boys' volleyball team delivered a strong performance against Wellington. The energy was high throughout the match, with many points earned off confident serves and well-executed three-touch attacks. While our receiving can improve—especially against harder, faster serves—the boys showed great composure and teamwork. Looking ahead to the ISCOT tournament this Saturday, we'll focus on first-ball control to keep our offense flowing. It looks like the boys are ready for the challenge!

A huge shout-out to our supporters: a fantastic group of Grade 6 students cheering on the boys under Ms. Bekkenk's guidance, Mr. Nel for coming out to watch the girls, and the many parents and even grandparents who filled the stands. Your energy made a difference!

A big thank you to Coach Diegel and Coach Tara for the effort you're putting in and the visible progress both teams are making. Go Dragons!
