Working Learning Acting TOGETHER

Dear Parents

I trust that you have all been enjoying the glorious early autumn weather over the past week or so, and that you are ready and excited for the Mid-Autumn Festival and National Holiday break coming up in just one week. I imagine that a few parents will have felt that their holiday started a little early, with secondary students away on **Week Without Walls** this past week, thus allowing some quality alone time with their spouses! In all seriousness, the weather really has been wonderful, and perfect for all our secondary students who have been enjoying adventures away from school with their classmates and teachers.

While our Grade 6-11 students have been away on WWW, our G12s have been working hard at school, with a special focus on their **Extended Essays** - mandatory, independent 4,000-word research papers required of all students as part of the IB Diploma 'Core'. And, as we begin to think forward to the completion of their IB studies, graduation, and the adventure of university, it was wonderful to be able to welcome representatives of the **University of British Columbia** to school this week. I trust that those parents who attended found the session informative!

A reminder to parents that Ms. Chuah, our IB Diploma Coordinator, has been holding **IB Diploma Parent Information Forums for Grade 11 and 12 parents** (Grade 6-10 sessions will follow in the near future) about how the home and school can best work together to support students through the two demanding years of the IB Diploma. Following last week's session for Korean parents, **Ms. Chuah will be hosting a session in Chinese and English next Wednesday, 23 September, at 8:30 AM.**

One of the highlights of our school calendar is UN Day (Friday 16 October), when we come together as a community to celebrate our shared humanity. UN Day at IST starts with the Parade of Nations (national costumes), followed by an international concert (student and parent/staff performers), learning activities related to this year's theme (**Action NOW - no more waiting for the future we want!**), and concluding with a delicious international lunch generously provided by our wonderful parents. **Please be sure to look for the item about the UN Day concert later on in Blaze soliciting registrations for concert performances** (registration deadline 22 September!)

Last week I sent out a brief 10-statement '**New Parent Survey**', as we do every year, soliciting feedback on the experiences of new parents at IST thus far. While not every new parent chose to complete the survey, 36 new families did, and I therefore believe the data to be reasonably valid. I would like to share the results with you now, but to keep the data simple I will only share the negative/disagree responses, of which there were only two out of a possible 360! So, all in all, the feedback was extremely positive, although there were a few

New Parent Survey Statements (total number of **disagree** responses to the statements recorded in brackets, out of 36 possible responses):

1. Our school website, promotional materials and correspondence with you projected a realistic picture of our school and our programmes. **(0)**
2. Our administration (i.e., director, principals, admissions staff, etc.) were responsive to your enquiries about admission and worked hard to support you throughout the application process. **(0)**
3. Our finance office processed your fee statements and payments politely and efficiently. **(0)**
4. We provided you with helpful information (e.g., in the form of a welcome package containing publications such as the Parent-Student Handbook) to support your induction. **(1/36)**
5. Your first visit/tour of our school was welcoming and informative. **(0)**
6. The New Student and New Parent Orientation sessions were well organised and informative. **(0)**
7. Ongoing communication from our school to you (e.g., Parent Open House, Blaze Newsletter, Website, Toddle, e-notifications, etc.,) has been regular and informative. **(1/36)**
8. Our school appears to be doing its best to support your child/ren as they settle into a new and possibly very different school environment. **(0)**
9. At this early stage of the year you and your children feel pleased that you made the decision to join us here at IST. **(0)**
10. The school's philosophy, as encapsulated in the motto 'Working, Learning, Acting TOGETHER', appears to drive genuinely the climate and culture of our school. **(0)**

Finally, a reminder to all parents that the **10 day National Holiday commences next Friday, with the Mid-Autumn Festival holiday**. Given that next week will be a short week (four days), there will be no edition of Blaze next Friday. I wish our entire community a very happy Mid-Autumn Festival and National Day vacation - **Zhōngqiū Kuàilè! 中秋快乐!**

Dear Parents,

We are pleased to share some important information regarding ordering PE kit and school merchandise through our new K12 online shop.

How to Order

All PE kit and merchandise purchases should be made directly through the K12 online store.

The online shop allows families to place orders at any time and have items delivered directly to their preferred address. We only have a few PE uniform available at the front desk. See flyer.

Free Shipping

- Orders of RMB 200 or more qualify for free shipping.
- Orders below RMB 200 will be subject to the standard delivery fee charged by K12.

Size Exchanges

We understand that selecting the correct size can sometimes be challenging.

As size samples are not yet available on campus, K12 has agreed to support families during this transition period:

- If an item is ordered in the wrong size, **there will be no return shipping fee for size exchanges at this time.**
- Once size samples are available at school, families will be able to use these samples to determine the correct size before ordering. At that stage, normal return shipping fees will apply for size exchanges.

Pre-Ordering

Some items may be listed as **pre-order items**.

For pre-orders:

- Orders are placed in advance to secure production.
- Delivery timelines may be slightly longer than for in-stock items.
- K12 will provide estimated delivery dates where applicable.

We encourage families to place orders early, particularly before the start of a new semester or sports season.

Thank you for your support as we transition to the new ordering system. Should you have any questions, please contact the school or K12 customer service team.

Kind regards,

Ben Silvis

IST Sweeps ISCOT Middle School Badminton Championships!

Our IST Middle School badminton teams brought home both the Boys and Girls team titles at this season's ISCOT League tournament, in a dominant performance across all four events.

The girls set the tone early, with Jun Hee Park and Amy Jiang going a perfect 4-0 in singles to finish first and second, while Ji Yun Kim added a fourth-place finish with an unbeaten record of her own. On the doubles courts, Evifinja and Angela Lu swept all four of their matches to claim second place, with Lavinia Hui and Christine Zhang rounding out the top five.

The boys matched that energy. Andrew Wang went undefeated to take the singles crown, backed by Anthony Wang in third and JunSang Jeun and Rocky Yu, who finished in a dead heat for fourth after posting identical 3-1 records. In doubles, Frank Xu and DuoDuo captured the title without dropping a match, and Nicolas Kersting and Jui Kim secured second place — giving IST the top two spots on the podium.

Congratulations to all our players on a fantastic day of badminton, and thank you to our coaches and parent supporters.

IST High School Badminton Open a Big Success!

Last weekend IST hosted the inaugural HS Badminton Open, a friendly tournament giving high school players from IST and neighboring schools a chance to compete outside the regular season. With no overall team trophy on the line, the focus was purely on great badminton, and there was plenty of it.

Our IST players made the most of home court advantage, especially in the girls doubles, where Hanano and Miranda swept all five of their matches to take the title, and teammates Ruby and Vanessa finished right behind them in second for an IST 1-2 finish. In girls singles, Sisi Zhao battled her way to second place, dropping just one match all day.

On the boys side, Ivan and Yuntse were IST's standout pair, going 4-1 in a very strong doubles field to finish fourth, while Jun Seo, William, Haoyang, and Leo all picked up valuable match experience against tough competition.

Thank you to Wellington, Farragut, TEDA, and TIS for making the trip, and congratulations to everyone who played. We hope to make the IST HS Open a regular fixture on the calendar!

Community-wide Goal:

In a world shaped by rapid technological change, including the continued rise of social media and AI, as well as growing geopolitical tensions and a lack of empathy for the needs of others, at IST, our community shares collective commitment to nurture internationally minded learners who embody the IB learner profile disposition of **Thinker**.

Within our school and host city of Tianjin, we will ask thoughtful questions, evaluate information critically and ethically, and use reasoned evidence to understand complex challenges and choose actions that reduce harm. Together, we will think deeply about others' perspectives and work to help make our world a better place.
