

At the International School of Tianjin, excellence is a tradition. Our IB graduates consistently outperform the global average, with the Class of 2026 earning an average of 36 points against a world average of 30. Over the past five years, close to one in three of our students has scored 40 points or higher, a distinction reached by only a small fraction of IB graduates worldwide. With 6 perfect 45-point diplomas in our history, IST students continue to rank among the very best in the world.
